PLAY PICKLEBALL

Join TAS Summer Pickleball Camp for juniors and provide your child with an adventurous, fun and healthy athletic experience. Camp is Monday – Friday, open to children ages 8 to 16.

We offer a safe, enriching environment where children learn about healthy competition, practice overcoming obstacles, make new friends and gain confidence in themselves. Pickleball is an ideal first sport for your child. Combining elements of tennis, ping pong and badminton, children enjoy easier ball contact, longer rallies and the gratification of quickly excelling at a new sport.

We'll cover pickleball development from detailed instruction to supervised play. Sound strokes, proper footwork and movement and effective play strategies are introduced in a logical progression of instruction and drill. Camp is open to all levels of play from the novice looking for basic instruction to the more experienced player wanting to sharpen his or her skills.

Come join us on the pickleball courts!

READY, SET, PLAY

On Fridays, campers will play in a USA Pickleball format tournament. Ranked beginners through intermediate players will have an opportunity for match play.
