Atlanta's Premier Tennis Training Program!

TAS Youth Tennis: Parent Expectations

- Participation**
1. Juniors participating in Youth Tennis may register for 1 or more lessons per week. Parents must indicate which days the junior will participate.
 2. There is no “try-out” lesson or evaluation for Youth Tennis. All juniors on the courts must be registered and have paid for the session in full in order to participate in a lesson.
- Inclement Weather**
3. In case of inclement weather, the Head Pro or Director will call the drill one hour prior to the start of the drill. Parents should look for an email from the Registrar, SSTC.Registrar@gmail.com, or call the SSTC Front Desk at 404-303-6182 to check for weather conditions.
- Make Ups**
4. Make ups will be held for inclement weather **only**. Lessons canceled due to inclement weather will have a designated make-up day. Make-ups will typically be held Saturday afternoons, but that is subject to change. In case of inclement weather 2 or more days during the week, the make up may be held on Friday or Sunday.
 5. Parents **must** RSVP to the Registrar by email if their junior is planning to attend a scheduled make up. Parents will receive confirmation by email from the Registrar before the scheduled make-up. Please do not attend if you have not received a confirmation email. This helps prevent overcrowding on the court. A minimum of 4 juniors is required to hold a make-up.
 6. If a junior must miss a drill for personal reasons, the parent must email the Registrar to request a make up prior to the missed lesson in order to schedule a make up. If there is room in a lesson on another day, the junior may attend that lesson. If there is no room or if the parent and registrar cannot agree on a convenient day, the junior will not receive a make up.
 7. All make ups must be completed before the end of the session. Make ups will not be carried over after the end of a session.
- Prorated Fees**
8. When a junior joins Youth Tennis after the start of the session, TAS will prorate the amount starting from the date of his first lesson through the end of the session. No juniors will be admitted into the program more than 2 weeks after the start of a session.
- Withdrawal**
9. No refunds are given after the start of a session.
- Cancellation**
10. If enrollment does not reach the minimum of 4 participants per group, SSTC reserves the right to cancel the time slot and either refund the fee or move the junior to a different day and time.
